October Skillsoft Webinars

Interested in developing your personal or professional life? Join us this September to learn more about Skillsoft training and educational resources, which are available to all VA employees.

This month we will feature 6 Skillsoft webinars:

- Skillsoft, What’s In It For Me?
- Skillsoft Networking and Development: All Employee Competency Model
- Skillsoft Just in Time Training: PROJECT MANAGEMENT
- Skillsoft Leadership Now and Tomorrow
- Skillsoft Just in Time Training: MICROSOFT OFFICE 2016
- Tailoring Skillsoft to Meet Your Training Needs

Please distribute to all interested VA employees! See webinar information below:

Skillsoft, What’s In It For Me?

How can Skillsoft assist you in your personal and professional life? Let us show you the way! This Introductory webinar on Skillsoft resources includes demonstrations on how VA employees can find courses in the TMS, and launch the Skillsoft Books Platform for books and videos. Learn how to find, utilize, and register for Skillsoft courses, books, and videos in the TMS.

Wednesday, October 3, 2018, 11:00AM-11:45AM EST

Skillsoft’s Networking and Development: The All Employee Competency (AEC) Model

What competencies should all VA employees possess? How do you determine which courses are available for you to take, in order to increase your proficiency in a particular competency? These and many more questions will be answered in this webinar. Network with other VA employees and develop yourself. Self-Assessments will be made available for you to explore your proficiencies, in the all employee competencies.
