Skillsoft’s Networking and Development:
The All Employee Competency (AEC) Model

What competencies should all VA employees’ possess? How can I determine which courses are available for me to take, in order to increase my proficiency in a particular competency? These and many more questions will be answered in this webinar. Network with other VA employees and develop yourself. Self-Assessments will be made available for you to explore your proficiencies, in the all employee competencies.

Just-In-Time Skillsoft Training: MICROSOFT OFFICE 2016

Have you ever needed training immediately? Have you ever been given an assignment, and never had any formal training in the task? What do you do? Let Skillsoft assist you in finding that just-in-time training you need. This webinar will center on being asked to use Microsoft Office software, such as Microsoft Word, Excel, or Power Point. We will explore developmental opportunities using Skillsoft resources.
