**Writing and Preparing an Effective Speech**
Not everybody is a natural public speaker. Some people are more eloquent and outgoing than others, but that doesn't automatically mean they can deliver an effective speech. In fact, public speaking requires significant planning and preparation. It's a learnable skill. This course teaches you how to prepare for public speaking, including determining your objective and audience profile, choosing your topic, and defining the theme of your speech. It also describes best practices to follow when planning, researching, and writing your speech. TMS# 4501276 Skillsoft .4 hour on-line

**Making an Impact with Non-verbal Communication**
To our earliest ancestors, non-verbal communication was communication! The primitive parts of our brains are still wired to respond automatically when we’re afraid, threatened, disgusted, surprised, or happy. But we’ve come a long way in our development and understanding of our brain’s ability to respond and communicate in valuable, non-verbal ways. In this course, you will find out how our attitude, posture, gestures, facial expressions, and tone have great impact on our communication. TMS # 4501216 Skillsoft on-line
