

Job Aid: Password Reset

Purpose

The purpose of this Job Aid is to guide users through the step-by-step process of enabling security questions and resetting their passwords.

In this Job Aid, you will learn how to:

- Set Up Security Questions on Initial Login
 - Change Security Questions
 - Change Password
 - Reset Forgotten Password
-

Task A. Set Up Security Questions on Initial Login

From the TMS login screen:

1. Click in the **USER ID** text entry field and enter your User ID.

The screenshot shows the TMS login page. The 'USER ID' field is highlighted with a red box and contains the text 'testdb@test.com'. The 'PASSWORD' field is empty. A 'SIGN IN' button is visible to the right of the password field.

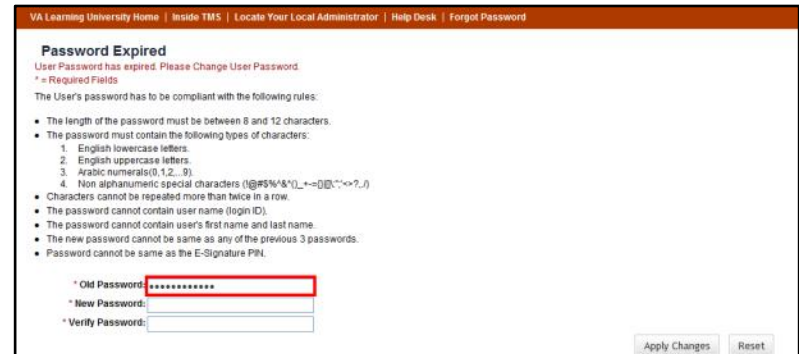

2. Click in the **PASSWORD** text entry field and enter your password.
3. Click **SIGN IN**.

The screenshot shows the TMS login page. The 'PASSWORD' field is highlighted with a red box and contains a series of asterisks. The 'SIGN IN' button is highlighted with a red box and a black number '3' next to it. The 'USER ID' field is highlighted with a black number '2' next to it.

4. The **Password Expired** screen is displayed. Click in the **Old Password** text entry field and enter your old password.

Note: The screen is **ONLY** displayed upon initial login.

The screenshot shows the 'Password Expired' screen. The 'Old Password' field is highlighted with a red box. Below it are 'New Password' and 'Verify Password' fields. A list of password rules is displayed above the fields.

5. Click in the **New Password** text entry field and enter your new password.
6. Click in the **Verify Password** text entry field and enter the same response again.
7. Click **Apply Changes**.

The screenshot shows the 'Password Expired' screen. The 'New Password' field is highlighted with a red box and a black number '5' next to it. The 'Verify Password' field is highlighted with a red box and a black number '6' next to it. The 'Apply Changes' button is highlighted with a red box and a black number '7' next to it.

8. The **Set Security Questions** screen is displayed.
9. Click the **Question 1** drop-down arrow to view a list of ten security questions.

10. The ten security questions are displayed. Select a question that you will always remember the answer to, but that would be challenging to others.

11. Click in the **Response** text entry field and enter your response.
12. Click in the **Confirm Response** text entry field and enter the same response again.
13. Click the **Question 2** drop-down arrow to view a list of ten security questions. Select a question that you will always remember the answer to, but that would be challenging to others.

14. Click in the **Response** text entry field and enter your response.
15. Click in the **Confirm Response** text entry field and enter the same response again.
16. Click **Save**.

16

- 17. You are automatically logged into the TMS.

The screenshot shows the TMS dashboard for user GREENER M 508TEST. The page includes a header with the VALU logo, TMS logo, and user name. Below the header is a navigation bar with 'Home' and 'Admin' links. The main content area features a 'To-Do List' with a search bar and a dropdown menu. There are two 'Overdue' items: 'Staff and Patient Boundaries (Palo Alto)' and 'Privacy and HIPAA Training'. A 'Search Catalog' section is also visible on the right side of the dashboard.
